As announced, Philippe Lamotte has resigned as treasurer, Liz Eberhard sworn in as treasurer.

Youth center director gave us a presentation on the youth center at Red Morton

Measure H update: bummer

Rocketship update: Roy and Magdalena presented petition at last board meeting. Rocketship parents were also there to advocate for getting a playground so we are on the same page. We plan on keeping up with Dr. Baker on the process. Looks like Dr. Baker wants to split the Rocketship campus so we may still have some 4-5 grades at Kennedy but hoping to get the B quad and some classrooms near the new front office back.

Principal update:

Librarian is retiring, new hires are being interviewed

School tours are coming up in January, lots of opportunities to promote them

Current 5th grade numbers that we are drawing from are:

105 selby

84 henry ford

64 taft

51 orion

Police officer will be at the next principal's coffee in December.

Program updates:

Music: popcorn fundraiser went well, winter concert coming up in December

Dec. 14th: 12-1 pm Hillsdale mall choir performance

Drama: play is going well, coming up in January, good turn out of participation numbers

Fundraising/Direct Drive: fundraiser coming up for honey bear, dine-outs still in the works.

Staff appreciation: no update but Roy will follow up as hopefully they are doing something next week for the teachers during conference week.

Discussion to skip December PTO meeting: agreed that we will skip December meeting; next meeting Jan. 21st.

Upcoming events

Electives night: PTO table needed, collect money for graduation, also at winter concert.
